

Win a Pacbrake Air Suspension Kit for Father's Day!

(& relieve some quarantine boredom too)

To celebrate essential workers and their working trucks everywhere, from front line healthcare workers to long haul truckers, we're having a Father's Day truck coloring contest! It's as easy as 1, 2, 3... 4:

- 1** PRINT at least one of the four truck coloring pages in this document.
- 2** Have your child, a child you know (or that "friend" who buys those adult coloring books) color it in.
- 3** Like/Follow Pacbrake on Facebook and/or Instagram & snap a picture of your colored page. We suggest displaying it your window to show your support!
- 4** Make a public post on Facebook and/or Instagram with the hashtags: #Trucks #KeepOurCountryMoving

That's it! We'll select one lucky winner* on June 15, 2020.

*Odds of winning depend on number of entries. All contest entries must be made by midnight (PST) on June 14, 2020. Social media post of your image must be made public to enter. The prize will be an existing Pacbrake air suspension kit currently in stock at our Surrey or Blaine warehouse. Please see our Air Suspension application guide for product fitment - www.pacbrake.com/AirGuide

THANK YOU!
